

Nursery Snacks

With our current service time (10 - 11:15am), we run far enough away from breakfast and close enough to lunch that a small snack can help tide the children's hunger. This can help with moods, energy levels, and attention while your child is in the nursery.

We will give your child/children a small cupful of snacks during the service unless instructed otherwise by the parent/guardian.

Below are the snack choices and their ingredients direct from the package. Highlighted are any possible allergens.

Goldfish Crackers
